

Hi dear friends

Oscam-emu [oscam unstable v1.20  
r11523 emu r798] softcam.key index  
changed

Pls use only this softcam.key format.

\*powervu emu v.3.8.1 dvb  
dream,progdvb emulator using  
different softcam.key file format

We are update active keys yours

Now we have got only this keys

If this keys dont work pls report  
we.thank you so much
